3. 3 cases each (total 12) of bone manipulation;
- bone splitting (3 patients),
 - horizontal bone augmentation with a minimum gain of 3mm (3 patient),
 - open (direct) sinus grafting (3 patient) &
 - indirect sinus grafting (3 patient).

Other bone grafting cases must also be shown.

(Start your presentation with the 10 full arch & 12 bone manipulation cases)

SPECIFIC REQUIREMENTS (V)

- Proof of any three (3) of the following to his/her credit;
 - Implant paper presentations
 - Lectures at national or international implant conferences
 - Implant literature publications
 - Research in implant dentistry or allied fields etc.

(Upload proof along with application form)

RESUBMISSION OF RECORDS

- Diplomateship applicants can re-submit their applications after correction (if needed) only once after the initial submission.

After this, if the case is rejected, the fee will be forfeited and the applicant will have to apply afresh after paying the requisite fees.

EXAMINATION

- Examination of Diplomate applicants will be done at a pre-determined date in a suitable venue with projection audio-visual facilities.
- As per circumstances, the examination may also be conducted virtually online using suitable electronic means.
- Results will be intimated to the successful applicants prior to the National Conference.

PERMISSIONS

- It is the applicant's responsibility to obtain all necessary release and no-objection consents from their respective patients before submission of their records.
- The submitted material can be used in part or whole, for educational purpose by the ISOI & no further permission will need to be obtained according to ISOI constitution. Kindly NOTE this before submission.
